Snowmass, Always a Winner!

We had 38 excited Austin Skiers enjoy a week long skiing extravaganza at Aspen/Snowmass ski resort! With a beautiful 50 inch snow base for the whole week that included mild temperatures with robin egg blue cloudless skies, no one could have asked for better ski conditions anywhere! This was truly a dream ski vacation that everyone that attended raved about throughout the trip. We enjoyed our post-trip party and celebrated our memories and shared the good times all over again! Wined and Dined in Beaver Creek and Vail

Austin Skiers or "Beavercreekers" as we (all 39 of us) are now known, had a remarkable time skiing Beaver Creek and Vail! God delivered snow to us on the first day and the snow conditions held for the rest of the week. How does 30 degrees, sunshine, and no wind sound, because that is what we enjoyed throughout! Since it was a Texas SC trip we were wined and dined several times. Winter Sports did an excellent job as the TSC host! We celebrated at the TSC Thursday night Party with Austin Skiers as the overall TSC race winner. The post trip party is scheduled for Feb 8th and it will be great to see everyone again. Photos are being collected and will be posted online soon. ~ ***Delk Watson***
