October 2019

Message from the President of Austin Skiers

Fall has officially arrived and the anticipation of the coming snow ski season is in full swing. Austin Skiers has a strong slate of trips for our members to enjoy in 2020 and many of our trips are full or close to being full. If you are considering signing up for a trip don't wait too long. Trip openings will change quickly as we get close to final payment dates.

Each year our club has one trip that takes a little more time to reach full capacity. We currently have **four** trips with openings. On October 2, the board will review the status of those trips that are still open and consider the number of unsold spaces along with the potential financial impact to our club to determine the next steps. Please help us promote these trips this within your circle of friends. We will keep you updated regarding this and all other trips.

Happy Fall!! I hope to see you at our next **membership meeting** on **Tuesday, October 8 at 6:30PM** at St. Bernard's in the Domain.

Thanks for your continued support of Austin Skiers!

Jackie Bayly, President President@austinskiers.org

Work Continues for 2021 Trips!

We are already working on the **2021** season. If you would like to help research and plan our trips for 2021, [please contact me](#) about serving on the **Trip Planning Committee**. It's a great way to learn more about how the club works and how we are able to put together great trips for our members. Meetings will begin in early December and run through April. We will meet once a month during the week in the evening at a location in north Austin. You will be required to attend most of meetings, but will be excused for club ski trips. When you are on a trip you can send your research report to the committee. If you are interested in participating, send me an email at: tripplanning@austinskiers.org and I will send you details about the meetings

Thanks Again, looking forward to a Great 2020 ski season!
